## Game experiences

Which of the games have you played in the ExerIsland VR Application? \*

Tick off **all** games you have tried out so far.

- ☐ Reaction Time Trainer
- ☐ Drone Shooter
- ☐ Platform Game

Which of the games do you like the best so far? \*

If you have a game you like better than the others so far, please indicate so below.

- ☐ Reaction Time Trainer
- ☐ Drone Shooter
- ☐ Platform Game
- ☐ Unable to answer.

Why do you prefer this game over the others you have played?

This element is only shown when the option "Drone Shooter", "Reaction Time Trainer" or "Platform Game" is selected in the question "Which of the games do you like the best so far?"

Have you used the application outside of what has been required by the tasks so far? \*

Using it more could mean playing more rounds, roaming around in the application, or testing out other games than described in the task.

- ☐ Yes
- ☐ No

What made you use the application outside of what was required by tasks so far?

This element is only shown when the option "Yes" is selected in the question "Have you used the application outside of what has been required by the tasks so far?"

Tick off each box you agree with.

- ☐ I was engaged in the game, so I wanted to play more
- ☐ I was bored
- ☐ I was curious to test out other minigames
- ☐ I was curious to explore the VR island
- ☐ I wanted to beat my previous performance

Is there any other reason to why you used the application outside of the tasks given?

This element is only shown when the option "Yes" is selected in the question "Have you used the application outside of what has been required by the tasks so far?"

If so, please specify.

Is there a reason to why you have not used the application outside of the tasks given?

This element is only shown when the option "No" is selected in the question "Have you used the application outside of what has been required by the tasks so far?"

so far?"

Tick off each box you agree with.

- ☐ The games were not that fun
- ☐ I have been too busy
- ☐ I got VR sickness
- ☐ I did not want to spoil the rest of the application for future tasks
- ☐ I have been afraid of doing something wrong in the app
- ☐ I think I could become tired of the VR app

Is there any other reason to why you have not used the application outside of the tasks given?

This element is only shown when the option "No" is selected in the question "Have you used the application outside of what has been required by the tasks so far?"

If so, please specify.

Other comments?

If you have any other comments regarding the task, platform, or the study in general, you can write them here.
